

Focus of the week:

# Keep Your Hands and Feet to Yourself

Everyone should be safe at school. I can keep myself and other people safe by keeping my hands and feet to myself.

Use you Buddie Sammy and say “STOP, I don’t like that”

Be safe at lunch time, have fun and play fair

Keep it small like Stevie, don’t let a small thing get big.

No touching

Everyone can have fun a Bridge Road if we play nicely and treat each other with kindness!
