

Focus of the week: Talk in Turn

I know that listening to others helps us all learn. I need to give everyone a chance to talk.

Listen to other people

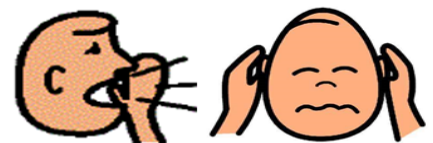

Put my hand up

Wait for my turn

When I shout, nobody can hear me!

Saying "Excuse me" or "Pardon me"
lets people know I need their attention

Everyone should have a turn to talk at Bridge Road, I can practice talking in turn and can learn from my classmates and teachers.
