RADIO SHOW

You Will Need
Recording device

You Will Learn
Speaking, imaginative
texts

Listen to a radio show and think about all the things they include.

Set a recorder on a device and create your own.

You could record your radio station on a phone, tablet or voice recorder. Record the different parts of the radio station and use an app like iMovie to put it all together.

Here are some ideas that you could include.

Play your favourite songs

Talk about an interesting topic

Interview a family member

Tell some jokes

Read a story

Make your own music

Next time the family are in the car or cooking dinner you can play the radio station back to them.

INTERMEDIATE - AGE 5 - 7
