October 16

Dear Parents/Carers

Welcome to Term 4

We have had a pleasing start to this term - smiling, happy children who are mostly enjoying each other's company through interacting and cooperating in the playground while the classrooms are "humming" with children engaged in learning. We are looking forward to maintaining this healthy school culture!

The 2 week Swimming Program commences on November 5 at Victoria Park Pool. Lorraine will send more information home soon. There are some age restrictions to attendance of this Department of Education program.

The Pool personnel will be conducting a Water Safety program at our school this Wednesday.

South Sydney NRL will be doing 3 workshops with the children for the next 3 Tuesdays.

Some of our students are involved in a gym program for 6 Mondays this term - Sydney University Sports Union is using rooms in the building adjoining our school as a temporary gym...

....we are fortunate to have this opportunity to participate in this program with the gym a minute or two away from our classrooms!

Most of the term 4 reviews will be held at Bridge Road on December 6. Some will be held in the home schools prior to this date. We will give you the details and appointment times a little closer to this date.

We also look forward to the Books in Homes Assembly and the Variety Club Christmas Party later in the term.

Today we received the offer for Dreamnight at Taronga Zoo - a wonderful opportunity for our families - each child will receive a ticket plus 3 others. Tickets will be sent to each child's home address.

Kind Regards
Jackie Sutton
