August 19, 2014

Dear Parents/Carers

We are well into the latter half of this term already!

Welcome back to Lorraine and thank you to Nikita who taught Lorraine's class while she was on leave.

NRL footy Tuesday workshops continue for one more week.

Music on Fridays is a delight! I love to listen to the very sweet voices of some of our younger children singing along while Nigel strums his guitar! Nigel takes all the children in different music groups each week.

Luanne and all the children have been working hard to complete their stunning - "Urban Perspectives" - Art project, which will be exhibited at the Seaview Gallery at Dulwich Hill High School of Visual and Creative Arts on Wednesday 27th August - 5.30pm - 7pm. All welcome!

Student Transport

Renny has requested that all transport variations need to be made at least 2 weeks in advance to ensure a smooth transition. Could all families please contact the driver

before pick up time in the morning if your child is not attending school.

Lunch with Murat Dizar - Regional Director, Sydney

We are taking 12 students to the Ultimo Office of the Regional Director to have lunch with him next Tuesday, August 26.

Murat visited our school earlier in the year to thank 3 of our children whose paintings hang in his office. At this time, he extended an invitation for lunch.

We have selected children from each of our 5 classes. A separate permission note will cover this outing for the children attending.

Reviews are to be held on September 10 and 11 this term - all families should have been notified of the date and time. Please remember that we can only schedule 20 minutes for each review. If we need to discuss any issues we will schedule a longer meeting.

Kind Regards
Jackie
