

BRIDGE ROAD BULLETIN

Science in Action

Kite Making Day

Friday 21st September at Bridge Road School

we will be celebrating Festival of the Winds and the start of Spring with a special free powered event and school funded science project.

Bridge Road students will be receiving a Kite Making Kit each. They will construct a kite then take a short walk to Camperdown Oval to fly their kites together.

If you're concerned about your child leaving the school grounds contact the office on **9519 8389**

Bridge Road School Art Show

Monday 29th October

It's that time of year again

Come and join us for a wonderful afternoon where you have the opportunity to view the creative art pieces our students have been busy working on all year

Students artworks will be available to purchase for only **\$5**

School Chocolate Fundraiser

Our **Cadbury Freddo and Friends Box** have arrived don't miss out please forward notes sent home so we can send chocolates home with students.

Should you be unable to participate in our Chocolate Fundraiser we would be grateful if you would consider showing your support for the school in another way, for example donating the equivalent amount that we make in profit from selling a box (\$30).

Each box contains 120 chocolates, remember, the more funds we can raise together the closer we are to achieving our goals.

Thanking you in anticipation of your support

Drink Bottles

Plastic Bottles Only

As the weather gets warmer it is important to pack a water bottle each day to keep students hydrated. For the safety of students and staff we ask that students only bring plastic drink bottles to school, no metal drink bottles will be permitted at Bridge Road. Please also remember our schools policy **'no hat no play'**. We now have our own school caps available for purchase **\$10 each**.

School Uniforms

Bridge Road School supports the wearing of school uniform which promotes a sense of belonging for students and creates a positive identity for the school community. School uniforms also contribute to the personal safety of all our students by allowing easier recognition of students inside the school and in the community.

It is the belief of staff at Bridge Road that wearing a school uniform positively promotes resilience, safety, respect, responsibility and ultimately learning. Bridge Road also supports the **'no hat no play'** policy.

Important

On the days your child is at their home school if they are not attending it is important that you contact both Bridge Road School and the home school as early as possible. Both teachers and support officers visit students each Thursday, they travel a long way to get to some home schools and arriving to find students are absent with no notice can be very frustrating.
