The Bridge Road Buddies were introduced to students in 2019. These behaviour management strategies were designed to help students build resilience and become safe, respectful and responsible learners.

Each Buddy is named after a strategy that can be used by students when faced with challenging situations.

The Buddy Program is now a fundamental part of Bridge Road School and is promoted during class, assemblies and debrief. Staff discuss with students which strategies they find helpful.

Students are encouraged to wear Buddy bracelets as a reminder to use the strategies throughout the day.

Students have also come up with some of their own Buddies including :

Sally Sing, Danny Draw, Bob Builder, Stacey Sit, Pixie Pillow, Colin Count and Ronny Read.

Absent Days

If your child is sick it is important that you notify the school and the driver of your child's taxi. The days your child is at their home school, if they are not attending it is important that you contact both Bridge Road and the home school as early as possible. Both teachers and support officers visit students each Thursday, some travel a long way to get to the home schools and arriving to find students are absent with no notice can be very frustrating.

Recommendations

To help ensure the wellbeing and safety of our staff and students, Bridge Road School strongly recommends that you send your child to school wearing their school uniform or plain clothes, with a packed healthy lunch and soft plastic drink bottle.
