

BRIDGE ROAD

Bulletin

Term 3, Weeks 5 - 8

Dear Parents and Carers,

It was great to see and meet so many of our community at our recent Book Week parade. I hope you enjoy the photos included in this newsletter of the fantastic day. It is successful community events like this that make our work so worthwhile. Thank you also to all our wonderful staff for the behind-the-scenes efforts on the day.

Term 3 has seen some wonderful achievement by students, and some great experiences, including our Book Week performance by Meerkat Productions. We look forward to more incursions, and excursions, as the rules around COVID begin to allow for more people movement.

As you will see in this newsletter, we have been lucky enough to find a passionate music therapist to join our team on a weekly basis. Danny Ammar has just commenced working on a Wednesday this term, seeing as many students as possible in the music room.

Music therapy consent – Danny records his sessions, as many parents like to see their child playing along musically, relaxed and enjoying themselves. If you do not want your child to participate in music therapy, or to be filmed, please contact the school to opt out of this program.

Thank you!

David Lomas
Principal

MUSIC THERAPY

Danny has a Masters of Creative Music Therapy, Bachelor of Science and a professional background as a session musician. Danny is passionate about the efficacy of music therapy to support functional skills. Danny first witnessed the power of music in the way it has and continues to support his son to develop functional language, cognitive skills and social confidence. Danny brings his expertise and passion for music technology, beat making, sound design and songwriting.

Focus of the Week

Own Your Behaviour

The teachers at Bridge Road School try and help children create a supportive class room culture, free of blame, where students are supported to take risks in their learning and are explicitly taught how to build and maintain relationships and where taking responsibility for behaviour is encouraged and modelled. For more information, please see our article on [Owning Behaviour](#).

Covid Information

- If your child is unwell, please keep them at home.
- All families should have received RAT kits. It is strongly recommended to test your child at least twice a week before attending school.
- Students have access to masks and hand sanitiser.

REMINDER

It is important to send your child to school with a healthy lunch box. Check out the lunch box builder tool on the Cancer Council Healthy Lunch Box website for some recipe ideas.

Cancer Council
Healthy Lunch Box

DID YOU KNOW?

- Packing a healthy lunch box can set up healthy eating habits that last a lifetime.
- Healthy foods boost the immune system
- Key nutrients improve concentration
- Food choices can improve a student's attitude
- Poor dietary habits can influence sleep patterns, which may have an effect on cognitive behaviours and academic abilities.

*No Metal Drink Bottles

facebook

Bridge Road School like to use Facebook as a means to share with our families and community all of the amazing things our students do. You can find photos of your child participating in Wellbeing Wednesday, engaged in a STEAM activity, or receiving a weekly award. So jump online and give Bridge Road School a follow and a  Like

You can also find useful information on our website:
