

BRIDGE ROAD FACT SHEET

FAMILY SUPPORT AND SERVICES

NB: This is a list of support services available to families. Bridge Road School has no affiliation with any of the organisations or services listed below.

MABLE

Mable helps you connect with care and support workers in your community and choose the people who share your interests and suit your needs best.

<https://mable.com.au/about>

HOME CARE SERVICES - NSW

Catholic Healthcare provides community services for your health and wellness including home care, personal care, medical assistance and meals.

https://get.catholichealthcare.com.au/chl-hcp-v1/?gclid=EAlaIQobChMlh6eHjfu14wIVizgrCh1cJQ2-EAAYBCAAEglqIvD_BwE

HIREUP

Hireup is an NDIS registered online platform for people with disability to find, hire and manage support workers who fit their needs and share their interests.

<https://www.hireup.com.au>

HOLIDAY CARE SERVICES FOR YOUR CHILD

School holiday activities give children living with a disability the opportunity to share in fun experiences they may not be able to enjoy at home, in an environment where they are provided with appropriate support. It also gives parents and carers the chance to spend time with children in a relaxed environment.

<https://mycarespace.com.au/resources/what-to-do-in-the-school-holidays>

AUTISM COMMUNITY NETWORK

ACN support and social skills groups only run during school terms. During school holidays, we provide opportunities for family activities throughout areas where the ACN is established.

<https://www.autismcommunity.org.au/school-holiday-activity.html>

EARLYED

EarlyEd provides early childhood intervention services for children and their families. All our staff have expertise in child development and the needs of children and families in their early years and school years.

NORTHERN BEACHES COUNCIL

There's no such thing as a boring school holidays on the Northern Beaches, we've got lots of activities to keep the kids entertained during their break.

<https://www.northernbeaches.nsw.gov.au/things-to-do/whats-on/school-holidays>

ROYAL FAR WEST

Work closely with families, schools, allied health professionals and local communities to connect rural and remote Australian children with the healthcare they need.

<https://www.royalfarwest.org.au/camps/>

ACTIVE OT FOR KIDS

We work with children of all ages and abilities to develop communication and skills for life.

<https://www.activespot.com.au/intensive-program>

RUN STEAM MINECRAFT CAMPS

Programs to engage students such as Robotics and Coding

<https://runstem.com.au/>

PARTICIPATE AUSTRALIA (After school and school holiday activities)

Participate Australia offers a range of individualised and group activities that have been designed to support people with disabilities and their families. These activities are designed to develop skills, which can help in daily life and lead to greater independence.

<https://www.participateaustralia.com.au/after-school-school-holidays/>

AVENUE PARRAMATTA

Avenue Parramatta supports people with disability to work, socialise and learn. We are open over the school holidays.

<https://mycarespace.com.au/sites/default/files/Avenue%20Parramatta%20School%20Holidays.pdf>

NORTH WEST DISABILITY SERVICES

Most children like to play and socialise with other children of similar age to themselves. To facilitate these social opportunities NWDS offers children and their families the opportunity to choose from activities where there are also other children attending the activity. NWDS staff assist each child to develop their social skills within these activities whilst also having fun.

STUDIO ALESSA

Studio Alessa's aim was to change how children and parents perceive art. I want to show that art is not just an activity that children do, but that it has many educational benefits and helps with building the attention span of young children, not to mention the therapeutic benefits.

Studio Alessa ...the art studio, is based in the Macarthur area at Smeaton Grange. Our studio is a fantastic creative space that is equipped for all levels of artistic ability, from beginners to the advanced, from children as young as 5 to Adults of all abilities.

LEARNING LINKS

Learning Links works in collaboration with schools, early childhood settings and parents to help children with learning disabilities and difficulties. These include conditions such as ADHD, high functioning Autism, Dyslexia, Dyscalculia, fine and gross motor delays and speech and language delays. Today, our focus is on preventing learning difficulties from causing disadvantage.

<https://www.learninglinks.org.au/>

RIVERLINK

Riverlink is very proud to continue to present our highly regarded Children's programs. These supported programs have been running for more than 10 years and provide a safe environment within pre-school sites. They focus on allowing children, generally aged 3 to 10 years, to have fun using the activities and equipment within the pre-schools and to be able to interact with each other. Additionally the Children's Sports Group is for young participants who enjoy being active out in the community. All programs are staffed according to the support needs of each of the participants.
